

Nature is freedom, pine scent and wild luxury

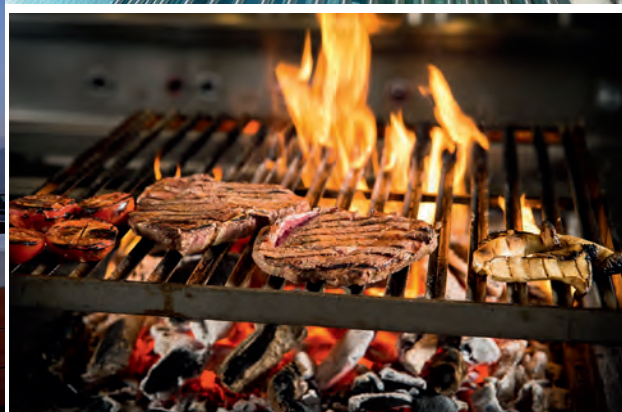

In the Timber Hotel Forsthofalm you will find an exciting life-style free from rules and duties. Our solid wooden hotel offers magic, individuality and pureness as the maxim, pulsing creativity. Discover your personal room under the rooms and suites of massive moon wood, free from glue and metal. Large panorama windows, light open rooms present loving words and romantic.

SPANorama and feel the strength of the mountain herbs

Claudia Widauer, our specialist for hand-sorted mountain herbs, added with unchangeable oils and creams to spoil you. From massages, beauty and Banja-treatments, nature and mountain well-being to Yoga. Special Spa treatments at 1050 metres above sea level

SKY SPA experience and herbs saunas with 180° panorama view

On the roof of the wooden hotel you will find a blue shimmering and warm roof-top pool. Nature is freedom and that for 365 days in the year. Experience this feeling, this joy of life in our bio-herb saunas, salt water steam bath, Finnisch sauna or perhaps a power training in the fitness room surrounded by glass.

Culinary highlights in our restaurant KUKKA

Steak, fish or vegane highlights will be prepared with love on the charcoal grill directly for our guests in the open show kitchen. Our excellent, highly awarded cuisine kidnaps you with rich ideas and creativity refined with mountain herbs. The scent of freshly baked bread meets you everywhere in the wooden hotel, during which the fresh mountain herbs enrich our cocktails at the KUKKA Bar and the atmosphere inflames in front of the open fire-place. Swinging music entertains you accompanied by the crackling of the fire.

Where the daily routine has never been further away

The birth of a new holiday feeling

In a location of unmatched natural beauty on Alpe di Siusi, a wide-open area of rolling mountain pasture in the Dolomites UNESCO World Heritage site, work is progressing on a very special hotel: ADLER Mountain Lodge. A wood-built hideaway at the heart of Nature, offering peace and quiet and magnificent views across the mountain meadows to the soaring peaks of the Dolomites - as well as innovative hospitality and a very special holiday experience.

The Lodge

The all new Lodge has opened its doors on 4th of July 2014...
And it's everything you could have imagined. Because some places have a magic of their own, a magic that brings us so close to nature that we become a part of it. Such places enable you to feel with all the senses:
I am where I want to be.

Alpe di Siusi

A rolling upland landscape set against the exciting backcloth of the jagged Dolomite peaks. Spring flowers, summer walks, autumn fire, winter magic. A setting for all seasons.

Active

Mountains offer peace. And a variety of leisure activities. From quiet enjoyment to sports and activity holidays. With all that is good for body and soul.

Wellbeing & Alpine Spa

Spa and wellness under the heaven. With magnificent views and the inner freedom to enjoy what is important and good for you at the moment.

There have always been lovely sites with a particular fascination – the Country Seats of the Princes and noble families. Unique, refreshing refuges for a life in harmony with nature, and at the same time, lofty rooms full of pleasure and hospitality. At Schloss Mittersill you will feel how the noble rooms whisper their history, the history of castle life. Those looking for something special have the opportunity to be surprised there. Modern and traditional rooms and suites, SPA, restaurants, wedding chapel, auditorium and meeting capacity in the “Prinz von Hohenlohe” west wing at Schloss Mittersill offer a combination of traditional and modern that makes up a feeling of wellbeing, located in the middle of a beautiful Castle garden. And the guest list at Schloss Mittersill is quite extensive: Coco Chanel, the Queen of Holland Juliana, Princess Soraya, Clark Gable and more. Today Schloss Mittersill is a hideaway for people with an exquisite taste – Compromise with nothing. Get only the best.
